Reference

NVIC Functions

```
graph LR; A[Functions and Instructions Reference] <-- B[NVIC Functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Functions and Instructions Reference' in two lines. The box on the right is gray with a black border and contains the text 'NVIC Functions' in one line. A horizontal black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or reference from the NVIC Functions to the main Functions and Instructions Reference.
