

STM32F4xx\_HAL\_Driver

FLASH RAMFUNC

```
graph LR; A[FLASH RAMFUNC] --> B[STM32F4xx_HAL_Driver]
```

The diagram illustrates a dependency or relationship between two components. On the right, a gray rectangular box contains the text "FLASH RAMFUNC". A horizontal arrow points from this box to the left, where it meets another rectangular box. This second box is white with a black border and contains the text "STM32F4xx\_HAL\_Driver".
